

## BoardEffect excels at guiding nonprofit organizations towards modern governance best practices.

BoardEffect, part of Diligent, is the board management platform that allows boards to work smarter. Answering the direct board management needs of organizations with different structures, missions and goals, enables our clients to be better communicators and collaborators while fueling efficiency at every turn. Nonprofit organizations have long relied on BoardEffect's modern governance tools to help their board leaders make informed decisions to power better outcomes.

### With BoardEffect, your nonprofit can:

- Enhance efficiency for board and staff
- Provide security and control for important content
- Ensure board member engagement
- Document all governance activity
- Demonstrate a commitment to governance best practices

**More than 68% of nonprofits surveyed in a 2018 study report being unprepared for a cyber attack, without any policies and procedures in place in the event that a breach occurs.**

The stakes are high for protecting your organization's most sensitive information. BoardEffect can help -- with customers across the globe ranging from healthcare organizations to institutions of higher education to foundations and traditional nonprofits, we've developed our product over the past 10-years with security top-of-mind, to support the especially dynamic, nuanced, critically important work of thousands of nonprofit boards.

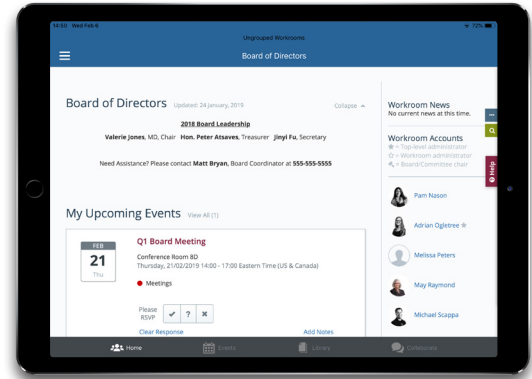

BoardEffect's broad range of intuitive and collaborative features allows for easy management of board and committee information, while also enabling board and committee members to be more engaged in meetings and more focused on achieving goals. BoardEffect makes meetings more effective for everyone.

*"I didn't realize how much of an impact the easy delivery of board materials would have... We are a nonprofit company and we liked that BoardEffect understands the needs of nonprofit organizations. That, and the fact that BoardEffect is fairly priced, really appealed to us... It's fantastic to get service right away from a live person when I have questions and the helpdesk staff is helpful, knowledgeable and totally client-friendly."*
